2 EXT. IN DIFFERENT AREAS - DAY 2

TITLE OVER BLACK: JOHN RUDY II: a walk in the park

We are following a *Mazda 3* as it drives around. It is clear the people in it are taking a day trip.

Inside the car there is KOBY (driving) and JOSEPH (in the passenger seat). They seem pleasant.

JOSEPH
(laughing)
So I'm walking out the back door,
and I hear Michael yell, "Help,"
but I just keep going.

KOBY
(laughing, a little too much)
That's awesome!

The time starts to pass. The driving begins to feel endless, and Joseph is becoming more bored and annoyed.

JOSEPH
Kobyyy... so are you gonna tell me
where we're going?

KOBY
Dude! Why are you being a baby?
oooo... we're driving, and you
don't know where we're going... you
crybaby! Besides, we're just going
to this cool place I found... I
hear there are (AUDIO OF JOHN FROM
JOHN RUDY) lots of trains, lots of
tracks...

Joseph looks tired and annoyed. He sighs. More time passes. Joseph notices Koby is wearing clothes covered in paint. He looks puzzled.

JOSEPH
I like your paint clothes...

KOBY
Yeahhhh...

More driving. It suddenly doesn't feel like a fun trip.

3 EXT. A SECLUDED AREA SURROUNDED BY TREES - DAY 3

Koby and Joseph arrive at their destination and park the car.

KOBY
This is it.

JOSEPH
Alright...

They get out of the car and walk forwards towards some train tracks. Joseph goes to the train tracks, but Koby heads back to the car.

Joseph looks around. Trees surround the two sets of train tracks on either side. It's empty and silent.

Koby is at the car with the driver's side door open.

KOBY
(calling)
It's time to meet him.

JOSEPH
(confused)
Meet who?

Koby begins to stretch his arms and legs out where he's standing. As he bends down to touch his toes, he pulls the lever that opens his trunk.

JOHN emerges from the trunk, using his head to lift up the door. He walks over to Koby and they shake hands and give each other a quick kiss on the lips.

JOHN
Did you tell him about the tracks?

KOBY
Yeah.

Joseph starts to run scared down the train tracks. In his fear, he runs more into the forest area where they will be able to get to him.

EXT. IN THE WILDERNESS - NIGHT

4

We are in first person. Two people with flashlights are looking around walking. They stumble on Joseph laying on the ground and shine their lights on him. He has a bloody, bruised face.

Joseph looks terrified and starts to back up on the ground.

JOSEPH

No! Please... please...

VOICE

Relax! Relax! Relax!

We see that the two with flashlights are Koby and John. They aren't fazed. They stare down at him as they flash their lights at him.
